Education

- Current Institution:
- Major / GPA:
- Expected Graduation:
- Chemistry and Related Classes taken or currently enrolled (include grade):
- Analytical:
- Biochemistry:
- Inorganic:
- Organic:
- Physical:
- Math/Physics/Biology:
- Other Relevant Research:

Proposed Mentor

- Mentor Email:
 - Dates (10 weeks minimum):
 - Title of Research Project:

Attachments

Please send the following attachments to cme.fellowship.program@gmail.com as PDF files.

A. Personal Statement of no more than 1,200 words describing your interest in chemistry or biochemistry:

Your research experience to date;

1. Your career goals after graduation, and how receiving an award to participate in the CME STEM Fellowship Program will further those goals;
2. Your Proposed research plan;
3. Plan to contribution to communicate scientific research to society.
4. A statement that you agree to attend the CME Leadership Awards on December 6, 2022.

B. College Transcripts.

College transcript, unofficial, including courses in progress for fall 2022.

C. Letters of Recommendation/ Research papers.

Up to three supporting documents, including: a) letters from science faculty that discuss your intellectual aptitude, desire to learn, perseverance, ability to perform independent research and potential as a scholar; and b) any research publication you authored. A letter of recommendation from your proposed mentor is required.

The materials should be sent to cme.fellowship.program@gmail.com.

The deadline for receipt of all materials is **February 15, 2022**

For further information please contact: Dr. Brian R. Gibney at cme.fellowship.program@gmail.com
